Hi we are scrubbing our data against TCPA and DNC litigator list.

And we have our own internal DNC list too. All these leads are fully compliance with jornada and TCPA disclaimer. You guys are completely harmless. Sometimes 1 or 2 customers everyday provide there fake information so they can speak to license agent and can remove there number.

**Subject:** DNC Complaint Web26

Luis,

Here is a Web26 complaint. The gentleman Hank Stram (not sure if that is his real name) allowed Louis Casares to speak and then cut him off to complain about the vendor calling people on the DNC list. Can you please listen to the call around 5:35 sec into call. Now he said that he does not want to take action against our company but to let it be known that he is on the DNC and the vendors are calling customers on the DNC.

Thank you and have a wonderful day!
